IMPORTANT INFORMATION

If you have any questions concerning your holiday or you require more information please let us know. We will be happy to help you make the right choice. Through our network of agents, we can also help you with information and reservation in any areas of Greece.

How to book

Contact us for availability for the accommodation you have chosen. If the accommodation is available we will reserve it for you until we receive by mail a complete and signed "Booking Form" and the necessary deposit is transferred to our account. For speed we will accept a facsimile copy of the "Booking Form" and the bank receipt acknowledging the transfer of the necessary deposit to our account until we receive the originals. The reservation will be held for a period of 5 working days for the "Booking Form" and deposit to reach us.

How to pay

To secure your booking, we require a deposit of 25% of your total holiday cost to be transferred to us. Payment may be made by a money order sent to the National Bank of Greece or by sending us a personal bank cheque. The remaining 75% of your holiday cost is due 60 days prior to your arrival. Payments may be made only in EURO, GBP or USD. Please note that all bank transfer fees are the responsibility of the client. Any balances due in resort are payable in resort in Euro Cash (no credit cards please) the day after arrival.

What documents are you to receive from us?

1. A "Deposit Confirmation Invoice" which will confirm that we have received your "Booking Form" and adequate deposit, and will verify the remaining balance to be paid.
2. A "Final Confirmation Invoice" which will indicate that all funds have been received, and therefore the booking procedure is now completed.

Insurance

All persons listed in the "Booking Form" must have travel insurance with adequate coverage prior to their arrival.

Safety & hygiene standards

Safety standards and regulations may not reach the same levels as those of your homeland. Clients should familiarize themselves with the accommodation always being aware of hidden dangers involving swimming pools, balconies, terraces and stairs, especially if traveling with children. Please keep emergency numbers found in your "villa book" at hand. You may reach us 24hrs a day, 7 days a week. Cleaning service and linen change is provided twice a week except Sundays, including the arrival clean.

Pool use & safety

Never leave a child or anyone with mobility problems and/or anyone with poor or no swimming abilities to use the pool unsupervised. Adults must take turns being the "watcher" to protect children from possible pool accidents. Do not allow them to enter the pool without the supervision of an adult with adequate swimming capabilities. Do not use flotation devices as a substitute for supervision. Keep rescue equipment by the pool. Remove toys from in and around the pool when it is not in use as toys can attract young children to the pool. No jumping, diving and/or running around the pool. Do not use the pool during a thunder storm as the water might attract lightning. During the Greek siesta times of 14:00-17:00, please be considerate of pool noises in the vicinity of neighbors. Use of pools is not allowed from 23:00-06:00 for your own safety. Do not open the box or compartment where the pool's pump is found. Do not change the settings in the pool's control box.

Pregnancy and health

For safety purposes we regret that we can not accept clients that have passed their sixth month of pregnancy. We will be happy to have you visit us next year though!!! Please bring adequate supplies of your medicine or ask us to find out if your specific medicine may be found in Greece. If you have mobility or other health problems, please contact us for advice on suitable properties.

Pets

Generally pets are not accepted although requests can be considered on an individual basis, but not guaranteed. For properties where special permission has been given to allow pets, a 250E refundable cash deposit must be paid by the client on arrival. Upon inspection at the end of stay, the deposit will be refunded if no damages have been made to the property.

Pests

Wasps, flies, mosquitoes, ants, field and tree rats and mice are usually the same type of pests you find in the country side at home - you may also find them here! To avoid unwanted guests, keep all doors and windows closed especially when you are away. Do not keep any food outside storage cabinets and the fridge. Wipe clean all surfaces after food preparation and meals, including terraces after outdoor dining.

Power, Water and Other

Power and water cuts are something common in country locations throughout Greece. These cuts usually do not take place for more than a couple of hours. We do not take responsibility for power and/or water cuts which are due to the public providers and/or caused due to their works. As a result of these cuts, hot water boilers, swimming pool pumps and generally all appliances that use electricity and/or water may be unusable at the time of occurrence. Maid service and pool cleaning may also be disrupted due to power and/or water cuts. If the problem is due to a fault in the property we will respond as soon as we are notified. Due to the country location of most of our properties, this might be within a few hours up to twenty-four hours according to the seriousness of the problem. If the problem renders the property un-inhabitable, i.e. no electric and/or water and/or flooded or damages due to these cuts for more than twenty-four hours from the time that the company was notified (i.e. representative, office and/or our emergency numbers) you may ask us to provide you with an alternative accommodation of similar cost. If the cost is lower than the one originally booked, we will refund the difference. Please be assured that all properties are thoroughly checked before each season to avoid these types of problems but some damages are unforeseen and unavoidable.

Service office and representatives

Our representatives are available every day except Sundays and can arrange a personal villa visit upon request to answer any individual queries such as excursion offers, car, bike and boat rental, busses and taxis, information on beaches, exploring possibilities and much, much more. In addition, a Thalpos Holidays villa

folder will be found in each accommodation with detailed information on the villa and the area, including nearest shops, restaurants and beaches. 24hrs emergency numbers are provided in your villa books.

Transfers

Prior to your arrival, we will email driving instructions and a welcome letter including telephone numbers to our offices, representatives and emergency contact numbers. Depending on the island, you will drive independently via hired car to your villa or alternatively we will meet you at the arrival port and escort you to your villa.

Car hire

The Company ensures that your booked car will be of good quality and be delivered at the port/airport on your arrival.

As company policies vary from island to island, please see our car hire link for your particular island for insurance and detailed information.

Damages on tyres and undercarriage are not covered. Any unused rental days are non-refundable.

All cars must be returned with a full tank - otherwise the car hire company will ask you to pay the difference or charge the expenses to your credit card. Damages in excess of CDW which are not brought to the car hire company's attention prior to your departure, will be charged to your credit card by the car hire company, and they will post a receipt to your home address.

Any change of VAT or local tax as well as any substantial increase of insurance costs will affect any rates quoted. Please note that all cars booked through Thalpos Holidays that have not been pre-paid, are payable in resort in **Euro Cash** upon arrival.

DRIVERS' QUALIFICATIONS: Minimum 23 years of age. Valid driving license must be held for at least 1 year. All drivers must be Credit Card holders or else a deposit of 500 Euros is required as a guarantee to cover petrol, any accident cost, etc. For drivers less than 23 years of age, please contact our service office for special insurance additions.
